B1

[Diagram showing panel bracket installation]
**TOP INSTALLATION**

1. Place the top shelf (A) on the base (B). Ensure the 1-1/8" (1.5H) measurement fits correctly.

2. Secure the top shelf with #10 x 1-1/8" Pan Head Screws (S194).

**SHELF INSTALLATION**

1. Assemble the shelves (B) and (B4) to create the unit. Ensure the 3/4" (2H) and 1.5H measurements are accurate.
